

Fibre Optic MTP-MPO Solutions

1U LGX Patch Panel Model 05 – MTP – 144 FO

Product Description

Briticom® designs and manufactures unique and robust patch panels. Our patch panels use various technologies for easy access and organisation: these include pivots, sliding on rail and easy sliding. Many of our panels are modular, to further aid the user.

Features & Benefits

- Easy slide in and out
- Recessed adaptors for improved fibre management
- No exposed screws
- Built-in strength member tie positions
- High quality finish
- Modular design for easy organisation

Applications

- Data and server racks
- FTTx
- Telecommunications
