

Fibre Management

2U Sliding On Rail Modular Patch Panel - Model 03 - 96 FO

Product Description

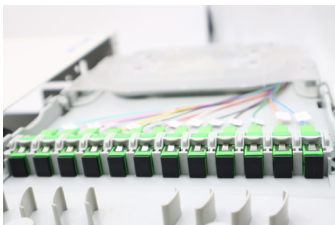

Briticom® designs and manufactures unique and robust patch panels. Our patch panels use various technologies for easy access and organisation: these include pivots, sliding on rail and easy sliding. Many of our panels are modular, to further aid the user.

Features & Benefits

- Easy slide in and out
- Recessed adaptors for improved fibre management
- No exposed screws
- Built-in strength member tie positions
- High quality finish
- Modular design for easy organisation – modular cassettes

Applications

- Data and server racks
- FTTx
- Telecommunications

Technical Specifications

Unit Size	SC, LC		
Unit Height	1U	2U	3U
SC Simplex	24	48	72
LC Duplex	48	96	144
Width	19" or 21"		
Depth	280mm
