

## Cabinets & Racks

## Blanking Panels – Tool-Free Plastic – Model 01

### Product Description

Briticom® blanking panels can be used to fill empty spaces in cabinets and racks. They can also help maintain cabinet airflow by blocking these unfilled spaces.

### Features & Benefits

- Tool-free
- Available in black or white
- 1U, 2U, 3U and 4U heights available
- Black ABS plastic
- 19" mounting

### Applications

- 19" Cabinets and racks

### Technical Specifications

|                |                                        |
|----------------|----------------------------------------|
| Material       | ABS plastic                            |
| Units          | 1U/2U/3U/4U                            |
