

Fibre Management

Modular Adapter Plates - Model 07

Product Description

Briticom® modular adapter plates are for use with modular patch panels. Easily upgrade existing panels with pre-loaded plates of up to 24 fibres (LC duplex adapters). Blank and empty plates are also available for unused panel space.

Features & Benefits

- Modular design for easy access
- Easy to install with push and pull pins
- Space-saving design
- Cold-rolled steel
- Up to 12 adapters per plate (LC DX)
- LC, SC, ST, FC adapters to front
- High quality finish

Applications

- Data and server racks
- FTTx
- Telecommunications
