

Fibre Optic MTP-MPO Solutions

Modular MTP Cassette - Model 05

Product Description

Briticom® LGX modular MTP cassettes are pre-terminated and pre-tested enclosed units for use in our LGX patch panels. With SC or LC adapters to the front and MTP adapters to the rear of the cassette, it offers superior optical and mechanical properties with a reduced installation time and cost for the optical network infrastructure.

Features & Benefits

- Modular design for easy organisation
- Up to 12 adapters per cassette (LC DX)
- 1-2 MTP adapters to rear
- LC or SC adapters to front
- MTP pre-terminated & splicing function
- Casing in full black metal
- High quality finish

Applications

- Data and server racks
- FTTx
- Telecommunications
