

Copper Structured Cabling

Multi-Materials Flush-Mounting Box - Model 02

Product Description

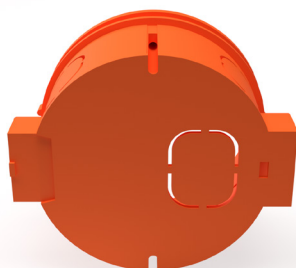

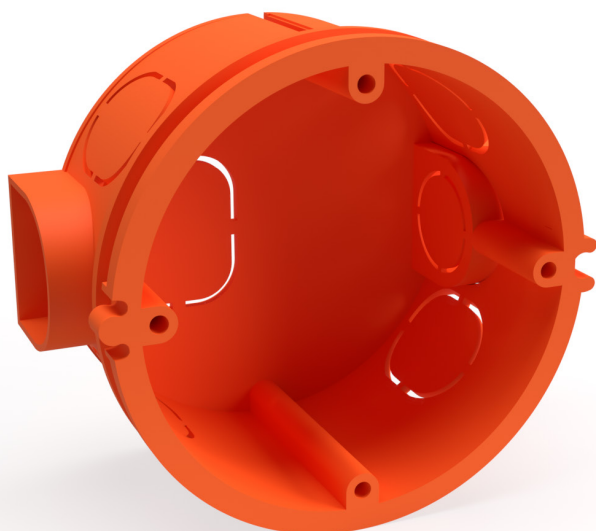

Briticom® Multi-material mounting boxes Universal mounting boxes that can be attached to any type of support: plasterboard, brick, gypsum and so on. Wide 67 mm cabling holes, multiple-unit boxes with removable wall fasteners. Equipped with fixed metal brackets. The boxes allow injection of glue for stronger fixation. Mount horizontally or vertically.

Features & Benefits

- Boxes reinforced rigidity with different fixing methods making them suitable for installation in a variety of materials
- Fixed by metal clamps on hollow partition walls
- Multi-material flush-mounting boxes are particularly suitable for refurbishment projects and for screw mounting accessories.
- 40 mm deep boxes have a special opening to allow semi-flush mounting on mini-trunking using accessory Drill holes: Ø 67/68 mm
- Screws with No.1 Phillips head, protective cap and 28 mm shaft

Applications

- Plasterboard
- Plywood
- Sheet msteel
- Brick
- LAN installations
