

Copper Tools & Accessories

Network Splitter – UTP

Product Description

Briticom® network point splitters allow two network devices to operate over one network cable, with simple plug-and-play installation. They are used when additional network connection is required, without a cable drop.

Features & Benefits

- Split one RJ45 connection into two
- Available for Cat 5E or Cat 6
- Suitable for UTP cables
- ANSI/TIA-568-C.2 Standard of 2009
- ANSI/TIA-568.0-D Standard of 2017
- 25-Year Approved Installer Warranty
- 3P certified
- Multiple colours available
