

Fibre Management

1U Rack Mount Patch Panel - 48 FO

Product Description

Briticom® Briticom® designs and manufactures unique and robust patch panels. Our patch panels use various technologies for easy access and organization: these include pivots, sliding on rail and easy sliding. Many of our panels are modular, to further aid the user.

Features & Benefits

- For standard 19", 21" and 23" racks use (other rack width options available on request).
- Easy operations: Rotate style.
- One big cutouts reserved beside adapters for easier installation.
- Total front access for users.
- Adapter panels are used for quick and easy adapter installations.
- Protected patch panel offers secure environment for adapters, patch cords and pigtails.
- Adapter Types - FC SC LC - SX / DX

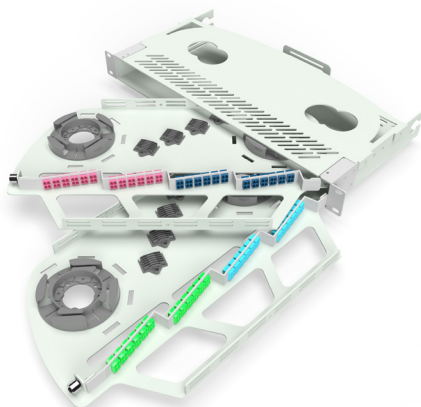

Technical Specification

Adapter Type	SC LC - SX / DX
Height	1U
SC Capacity	1 tray - 24F or 2 trays - 48F
Width	19"
Depth	225mm (without front cable organizer) / 286.5mm (including the front cable organizer)
Installation	19" Rack Mounting
Material	Stainless steel (4.22kg) or Aluminum & steel (2.95Kg)
Paint	Electrostatic
Tray Opening	Swivels / Rotates left to right
Opening Degree	170 degrees opening
Weight	TBC
Cable Entries	Side & rear
Number of Trays	2
Tray Capacity	24 SC SX
