

## Cable Management

## Wire Mesh Cable Tray

### Product Description

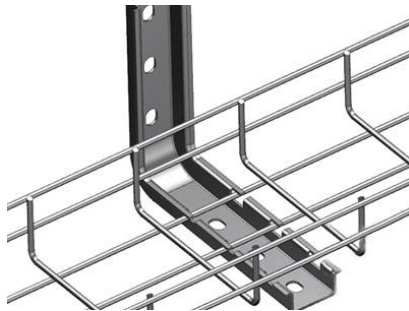

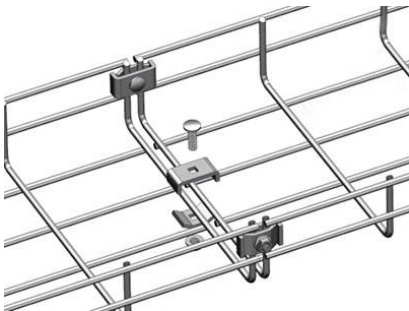

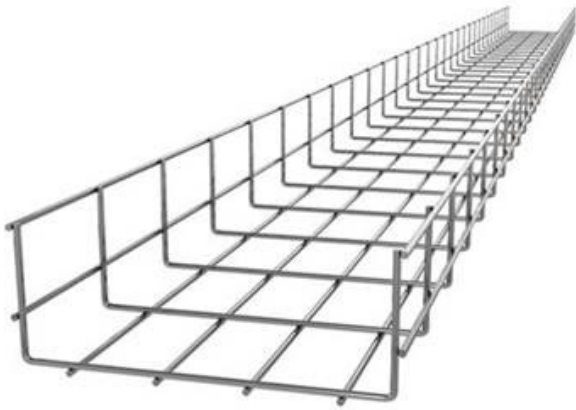

With a modular design, high quality materials and a range of sizes, the Briticom® Wire Mesh Cable Tray is a lightweight and cost-effective solution for the management of copper and fibre optic cabling.

### Features & Benefits

- Modular design
- Different sizes available
- Various accessories and attachments available
- Made from strong, high-quality materials

### Applications

- LAN and WAN Applications
- Enterprise and Business
- Education
- Government
